

Bird Identification Chart – Birds found in Jurong Eco-Garden

Use the Bird Identification Chart as a guide when spotting birds during birdwatching in Jurong Eco-Garden. Take note of specific details of a bird such as its relative size and the colour of its body parts.

Asian Brown Flycatcher
(*Muscicapa latirostris*)

Status: Common winter visitor, passage migrant

Asian Glossy Starling
(*Aplonis panayensis*)

Status: Common resident breeder

Asian Koel
(*Eudynamys scolopaceus*)

Status: Common resident breeder, winter visitor

Barn Swallow
(*Hirundo rustica*)

Status: Common winter visitor, passage migrant

Black-naped Oriole
(*Oriolus chinensis*)

Status: Common resident breeder, winter visitor

Blue-tailed Bee-eater
(*Merops philippinus*)

Status: Common winter visitor

Brown Shrike
(*Lanius cristatus*)
Status: Common winter visitor, passage migrant

Changeable Hawk-eagle
(*Spizaetus cirrhatus*)
Status: Uncommon resident breeder

Common Flameback
(*Dinopoeum javanense*)
Status: Common resident breeder

Common lora
(*Aegithina tiphia*)
Status: Common resident breeder

Common Myna
(*Acridotheres tristis*)
Status: Common resident breeder

Common Tailorbird
(*Orthotomus atrogularis*)
Status: Common resident breeder

Coppersmith Barbet
(*Megalaima haemacephala*)
Status: Common resident breeder

Crimson Sunbird
(*Aethopyga siparaja*)
Status: Common resident breeder

Dark-necked Tailorbird
(*Orthotomus atrogularis*)
Status: Common resident breeder

Dollarbird
(*Eurystomus orientalis*)
Status: Common resident breeder, winter visitor

Golden-bellied Gerygone
(*Gerygone sulphurea*)
Status: Common resident breeder

Edible Nest Swiftlet
(*Areodramus fuciphagus*)
Status: Common resident breeder

Greater Racket-tailed Drongo

(*Dicrurus paradiseus*)

Status: Common resident breeder

House crow

(*Corvus splendens*)

Status: Common introduced resident breeder

House Swift

(*Apus nipalensis*)

Status: Common resident breeder

Javan Myna

(*Acridotheres javanicus*)

Status: Common introduced resident breeder

Laced Woodpecker

(*Picus vittatus*)

Status: Common resident breeder

Large-tailed Nightjar

(*Caprimulgus macrurus*)

Status: Common resident breeder

Little Bronze Cuckoo
(*Chrysococcyx minutillus*)

Status: Common resident breeder

Long-tailed Parakeet
(*Psittacula longicauda*)

Status: Common resident breeder

Olive-backed Sunbird
(*Nectarinia jugularis*)

Status: Common resident breeder

Oriental Pied Hornbill
(*Anthracoceros albirostris*)

Status: Uncommon resident breeder

Pacific Swallow
(*Hirundo tahitica*)

Status: Common resident breeder

Pied Imperial Pigeon
(*Ducula bicolor*)

Status: Rare non-breeding visitor, uncommon introduced resident

Pied Triller
(*Lalage nigra*)
Status: Common resident breeder

Pink-necked Green Pigeon (Male)
(*Treron vernans*)
Status: Common resident breeder

Pink-necked Green Pigeon (Female)
(*Treron vernans*)
Status: Common resident breeder

Red Junglefowl (Male)
(*Gallus gallus*)
Status: Uncommon resident breeder

Red Junglefowl (Female)
(*Gallus gallus*)
Status: Uncommon resident breeder

Red-breasted Parakeet
(*Psittacula alexandri*)
Status: Common introduced resident breeder

Rock Pigeon
(*Columba livia*)
Status: Common resident breeder

Rusty-breasted Cuckoo
(*Cacomantis sepulcralis*)
Status: Uncommon resident breeder

Scarlet-backed Flowerpecker (Male)
(*Dicaeum cruentatum*)
Status: Common resident breeder

Scarlet-backed Flowerpecker (Female)
(*Dicaeum cruentatum*)
Status: Common resident breeder

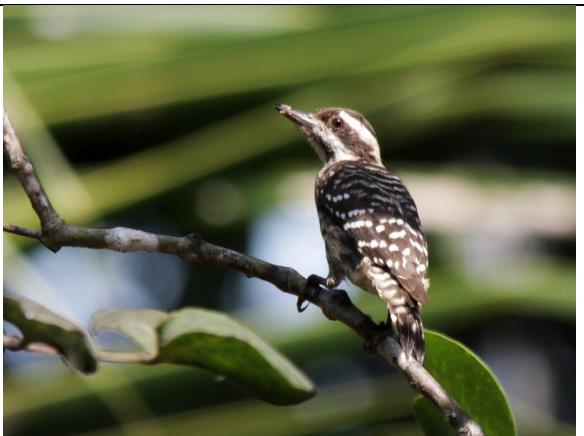

Scaly-breasted Munia
(*Lonchura punctulata*)
Status: Common resident breeder

Spotted dove
(*Streptopelia chinensis*)
Status: Common resident breeder

Straw-headed Bulbul
(*Pycnonotus zeylanicus*)
Status: Uncommon resident breeder

Sunda Pygmy Woodpecker
(*Dendrocopos moluccensis*)
Status: Common resident breeder

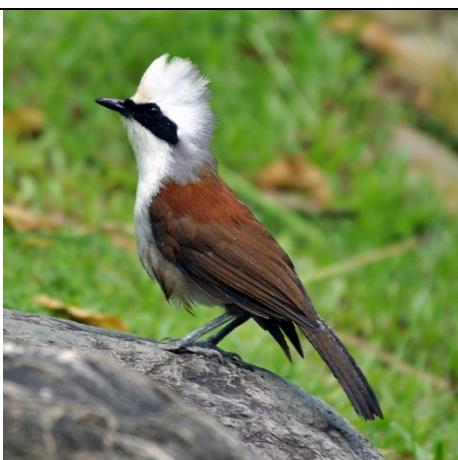

Tiger Shrike
(*Lanius tigrinus*)
Status: Common winter visitor, passage migrant

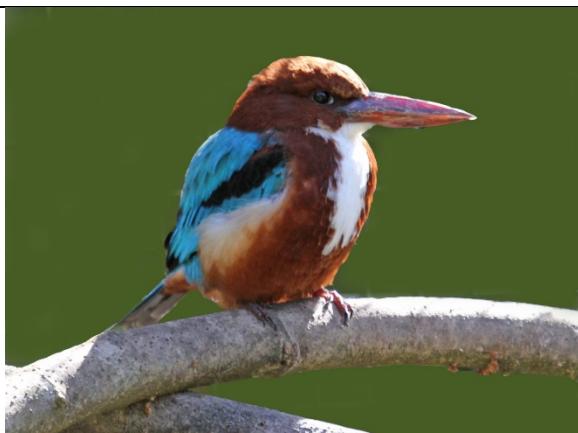

White-bellied Sea Eagle
(*Haliaeetus leucogaster*)
Status: Common resident breeder

White-breasted Waterhen
(*Amaurornis phoenicurus*)
Status: Common resident breeder, winter visitor

White-crested Laughingthrush
(*Garrulax leucolophus*)
Status: Common introduced resident breeder

White-throated Kingfisher
(*Halcyon smyrnensis*)
Status: Common resident breeder

Collared Kingfisher
(*Todiramphus chloris*)
Status: Common resident breeder

Yellow-bellied Prinia
(*Prinia flaviventris*)
Status: Common resident breeder

Yellow-vented Bulbul
(*Pycnonotus goiavier*)
Status: Common resident breeder

Zebra Dove
(*Geopelia striata*)
Status: Common resident breeder

Zitting Cisticola
(*Cisticola juncidis*)
Status: Common resident breeder
